Privacy Policy

This privacy policy has been compiled to better serve those who are concerned with their private information, and taking into consideration the fact that **our application is directed to children under the age of 13.**

Please read our privacy policy carefully to get a clear understanding of how we operate in accordance with our policies.

We may revise, change or update the Privacy Policy at any time features, or as the law changes. Unless another date is given, the changes are effective upon posting. Thus, you should review the Privacy Policy frequently.

This Privacy Policy is also part of the Terms of Service that explain your rights and responsibilities when using our application. By purchasing and/or using our application, you agree to the terms and conditions of this Privacy Policy and by continuing to do so after changes have been made, you agree to the changes.

If you don't agree with this Privacy Policy or the Terms of Service, you should not use the application.

What personal information do we collect from the people that purchase or use our app or web site?

Please note that the sale of the application is conducted by the above third parties operators only. Such third parties will collect personal information from adults only when purchasing the application. The term "personal information" includes the scope of this term in the Children's Online Privacy Protection Rule (COPPA). This information is not transferred to us.

Therefore, the sale of the application, its use, as well as the use of our website will fully confirm with the terms of the Children's Online Privacy Protection Rule (COPPA).

Any data and information including personal information you may provide to such third parties, will be governed by their privacy policy and any applicable laws as will be detailed by them.

The use of the application itself does not involve the collection of any personal information as defined in the COPPA.

We and/or the third parties above will not require a child to disclose more information than is reasonably necessary to participate in an activity as a condition of participation.

Furthermore, we do not operate any website, online store, community stores, message boards, newsletters, forum or blogs where personal information can be posted or viewed. Please note that if you do use and post personal information in any of the above tools which are operated by any third parties, this will be governed as well by the privacy policies of the above third parties and we are not responsible for any consequences of such use.

When will information be collected?

The above third parties selling the application on our behalf, will collect information from you when you purchase our application. Our website does not collect personal information.

How will the information be used?

The above third parties selling the application on our behalf may use and/or share the information collected from you as allowed under applicable laws, as detailed in their privacy policies and specifically in the following ways :

- For internal use, support for the internal operations of the web-site, service or application including technical support and order fulfillment, as detailed in COPPA.
- With your consent and/or to fulfill requests and questions from you and for any other purpose disclosed to you or to your child at the time of submission of information.
- To prevent potentially prohibited or illegal acts or omissions and to enforce the Terms of Service.

You as a parent have the option to agree to the collection of personal information above and the use of such information without consenting to the disclosure of the information to third parties. In addition, you will be able to review the child's personal information, ask to have it deleted and refuse to allow any further collection or use of the child's information. In order to fulfill this right you are requested to contact us in writing in accordance with the details above.

Do we use 'cookies'?

We do not use cookies, web beacons, Local Shared Objects, and other similar technologies to collect information about you or your child's use of the application or our website.

Third party links

Currently, we do not include or offer third party products or services on our application or website. However, we may decide to include links to third parties from our application or web site. We will not be responsible for those companies and by including their links we do not endorse them or their conduct. It is your responsibility to check their privacy policies before entering
